Message from the Chair

It looks like we made it through the 21st year of our Central Coast Renaissance Festival. My My what a accomplishment. When we first incorporated History Revisited our initial goal was to go play at faires as a group and have a good time doing it. Well who would guess that we History Revisited would end up producing a faire and do what we have done in the 13 years we have had CCRF. We continued the tradition that the prior owners of this event had. We have kept our event as historical as possible ,we have a family event and a place for renaissance people to come and play. So, although it wasn't our first goal to produce a faire, it was something we decided to do and I believe we have all enjoyed doing it. At least I have, It has given me a great appreciation of all organizers who produce any type of event. It is always a challenge and a refreshing feeling each time it is over and we have had a success. So I want to thank each an every one of you that have been part of what we do. Without you and your expertise, experience and just plain hard work, we could not do what we have done. I for one have learned lots of new things and have done lots of new things. I have met the most wonderful people to work with and have enjoyed making new friendships. I guess that's really what its all about, making new friendships and lasting friendships. To all my new friends and friends I hope to make. I thank you for what you do for History Revisited and I hope that all of you enjoy our event as much as I do. Please stay with us and keep up the good work. I love all of you and hope to keep working with you guys for years to come. For now it is time to relax and have a good winter, So until we meet again stay healthy and cool. Anon Mickie

PRESIDENTS MESSAGE

Hello! Here we are with this year almost gone time for our 22nd Central Coast Renaissance Festival and say good by to our 21st. I hope all of you had as great a time at our event as Mickie and I .We love the friendship, ambiance, and excitement that it creates.

I want to say thank you to all of you who helped us with this years event. Especially the true die hards like Michaelangelo Silva, his setup volunteers and take-down crew, Mickie and Bill Waters for the Entertainment, Jeff Porter for Security, David Arn for Maintenance, Barbara and her ticket sales crew, Naomi for the HR Pavilion, Paul and Laura for Ticket Taking, Rick for Advertising and Kim for the Great Job on vendors. Each and everyone I may not have mentioned because there are so many. Thank YOU !!!

I trust all of you had a wonderful Spring. With Valentines Day, St. Patrick's Day and Easter along with Presidents Day. All wonderful occasions to celebrate.

This June I had a chance to do some research into family history. I went to a family reunion to trace back my name to its origin in Ireland. Gunn, the Irish Clan, not the Scottish Clan. It was a wonderful experience. Seeing relative for the first

tine in 40 years and all the new additions to the family. If you never had a family reunion, I would strongly suggest that you have one when you are young and all of your family is available, aunts, uncles, grandparents, to find out a little history of your family. It is exciting and enlightening.

We are coming to the end of the year! We are now in Mexico for the winter, it's a tough job but someone has to do it. We will see you all at the fair and keep in touch through the newsletter.

We have a new Vice President . His name is Jim Reed and does he have some BIG shoes to fill from the last VP. Lets all welcome him aboard and help him as you all helped Rod Collins our retired VP.

Larry

Welcome to our newest additions to our HR family;

Fist we have Jim Reed, Jim has been involved in our CCRF since our first year administering the event. I remember him from the old Ratsallow group, (I think that's how they spelled it) anyway Jim has been assisting HR set up our event and has been a great help to us in the past, it is only right that he should become our HR Vice President. With his experience of HR and his knowledge of leadership,. He will be a great asset to our organization.

Next we have;

Jennifer Reed, yes she is Jim's wife, but she is a stand only person. When asked if she would like to be more involved with our event, she was a little leary at first, then she was estatic. She has more ideas than I could ever think of, She will be our new HR membership chair and will work with the volunteers, so look for her membership letter and a new look for our membership and volunteers.

You all know Michael Tuebner, his is our one of our newest HR Board members and has gladly also accepted the position of HR newsletter editor. Although he is still trying to figure out, how it came about, anyway he is excited and so are we.

As you can see, we are moving ahead to place new young and bright people to replace some of us oldies (but goodies) If you feel you can step in and become part of our new HR Please write me, we welcome you, Mickie mraton@mchsi.com
